

Job Description

Position Title	Head, Development	Level	D
Reports to (role)	Director, Partnerships & Engagement	Career Stream	Professional
Team	Development		
Location	The Kids Research Institute Australia, Perth Children's Hospital, 15 Hospital Ave, Nedlands		

PURPOSE OF POSITION

The Head of Development is a key leadership role driving the philanthropic vision of The Kids Research Institute Australia. Responsible for building a sustainable and engaged donor community, this role leads the design and delivery of innovative, data-driven fundraising strategies that fuel life-changing research and impact for children and families.

Working closely with the Director, Partnerships & Engagement and the Board, the Head of Development sets the agenda for major giving, bequests, campaigns, and new revenue streams. By inspiring trust and investment from individuals, corporates, foundations, and community partners — and by harnessing digital platforms, CRM intelligence, and emerging fundraising technologies — this role ensures the Institute's bold research agenda is matched by equally bold philanthropic support.

This position plays a key role in shaping the future of The Kids Research Institute Australia.
